

ARGUE LEGALITY OF A STATE LAW

Attorney General Stotsenburg, Legal Clerk Bert New and J. H. Kiplinger Speak to Court.

OLD GAS RATES TOPIC AGAIN

Kiplinger, For City, Maintains Public Service Commission Has Not Right to Raise Charge.

The legal right of the public service commission of Indiana to raise rates was threshed out before Judge Sparks today in circuit court, when a question was raised on a demurrer to the amended second paragraph of partial answer filed by the city of Rushville in the case against the commission asking for an increase and a review of the order of the commission. The rates of the public service commission of the natural gas company and the fuel company of this state.

On the right of the public service commission to raise rates of utility was brought up in the answer to the public service commission and the argument today took place on the demurrer. The public service commission was represented here by Evan B. Stotsenburg, attorney general, Bert New, legal advisor to the governor, and Thomas M. Green. The city was represented by John H. Kiplinger.

A decision in this case is important to the very life of the commission at stake, as argued by the city. The city alleges that the commission is without legal right to establish rates, especially where the rates are established by franchise granted by the city. The argument lasted about four hours. A large number of cases were cited to the court and the matter was entirely new of law.

Mr. Kiplinger maintained that by an act of 1905 the cities of Indiana were given the right to grant franchises and establish rates. He stated that the language of the legislation was plain. He held that the cities were operating here under franchise and that the franchise was established in 1905. It was pointed out that once the franchise ran during the time of the gas companies in existence the rates could be changed by the public service commission, as the franchise was a contract.

Attorney General Stotsenburg told the court that since the state has supreme over the city it did have a right to establish rates. He stated that the right to fix rates belonged with the state and declared that the courts have held that rate contracts without-time limits, as the franchises of the gas companies are void and again at the public utility. The argument of the demurrer drifted to the question of whether the state or the city has the right to establish rates. The attorney general defended the law creating the public service commission and cited at least one case where a similar law had been upheld by the supreme court. This was the West Virginia law.

Mr. Kiplinger, for the city, maintained on page 5.

Congratulations To--

FINED IN CIRCUIT COURT

Pearl Kiskeaton Assessed \$5 and Costs For Fighting.

Pearl Kiskeaton pleaded guilty to an assault and battery charge this morning in circuit court and was fined \$5 and costs by Sparks. The affidavit against him was filed by Mack Campbell, following a fight on the night of January 30. Kiskeaton eluded the officers until yesterday when he was found. A provoke charge was also filed against him but will likely be dismissed. Kiskeaton had no money and went to jail to lay out his fine.

PROPERTY SOLD FOR BACK TAXES

Louis Lambert Buys Five Pieces, Three in Rushville, One Each in Arlington And Milroy

SALE AMOUNTS TO ONLY \$60.46

The sale of property for the collection of delinquent taxes, held this morning, was the smallest in several years. The sale only totalled \$60.46. Five pieces of property were offered for sale, three of these in Rushville, one in Arlington and one in Milroy. Louis Lambert bought all of them. One piece did not sell as the taxes were considered more than the property was worth.

Last year the delinquent tax sale amounted to \$92.77. The current tax is included in the amount of delinquent tax. Of the total amount of \$60.46, \$29.90 was for sewer and street assessments here in Rushville. The property can be redeemed in two years. Several of the delinquents paid their taxes this morning before the sale took place. Mr. Lambert had representatives in sixty-five counties of the state today buying property at the delinquent tax sales.

MERCURY DESCENDS TO FIVE BELOW ZERO

Severe Weather of Sunday Night Will be Superseded by Fair and Warmer Weather.

EAST GALE BRINGS A SNOW

Five below zero was recorded at the county weather observation station at Mauzy last night, which is not the lowest mark of the winter, but which comes near being as cold as any yet recorded in 1916. Some relief from the severe weather is promised for tonight and tomorrow in today's weather prediction which reads fair and warmer.

A snow from the east, driven by a stiff wind, kept most people indoors Saturday night. Sunday morning the snowfall did not appear heavy because the snow was drifted and as the city snow plow was not out, residents had to clean their own walks. The mercury went down during Sunday and was hovering around zero in the afternoon.

IT'S ALL SETTLED.

(By United Press.) Washington, Feb. 14.—President Wilson today formally announced his candidacy for re-election. He wrote to Secretary of State Hilbrand of Ohio announcing his assent to the placing of his name on the primary ballot of that state.

MANY WITNESS "MOVIES OF SKY"

Celestial Wooing of Venus by Jupiter Brings to Planets in Conjunction Sunday Night.

SEEN WHEN DARKNESS CAME

Two Very Bright Stars Dominate Western Horizon, Their Brilliancy Attracting Attention.

Persons who had advanced notice of the enactment by two planets of the "Movies of the Sky" witnessed the spectacular phenomena Sunday night shortly after darkness had settled down on the earth. The actor and actress having the leading roles in this drama, entitled "The Sky Wooing," are Venus and Jupiter. It is visible to the naked eye and was observed by many persons who did not know that these two planets were to be in conjunction Sunday night.

In the scientific terms of astronomers the scene is "the most beautiful configuration of the planets to be seen during the month of February." Translated into ordinary language they mean that the western heavens are dominated by two unusually bright stars. They are visible almost immediately after sunset, almost directly in the southwest, half way to the zenith. The upper star is Jupiter which is more than five times the earth's distance from the sun. The lower star is Venus and is 67,000 miles from the sun. The two stars are unusually bright but it is their action that is of interest at this time.

Among planets as among mortals, however, familiarity seems to breed contempt. For, after such close association with Jupiter, Venus passes him and moves higher in the heavens. Meanwhile an interested man in the moon takes lively concern in the celestial courting.

The flight of Venus continues until April 24th, when she apparently regrets hasty action and, after hesitation, retraces her steps, glowing brighter and brighter as she seeks the lover she forsook.

After May 27, her lustre rapidly fades. This may be because she will have lost hope of overtaking Jupiter, but professional star prophets cite intricate calculations to prove that what really happens is a conjunction of Venus with the evening sun.

It is not often such an act as this is seen in the movies of the sky. The professional astronomer says "such a configuration of the planets is of rare occurrence; anyone will be well repaid for watching it carefully and receive a most impressive object lesson in the motions of the planets."

This, astronomers say, is due to the fact that the path of Venus about the sun lies entirely within that of the earth, while the orbit of Jupiter lies entirely outside of it. The only other planet that behaves like Venus is Mercury, while all others follow the example of mighty Jupiter.

TOURNAMENT IS TO BE HELD HERE

East Central Indiana High School Association Also Picks Tentative Date For Oratorical.

WILL BE HELD AT GREENSBURG

Four Teams Are Certain For Tournament and Two Others May be Invited to Enter.

The basketball tournament of the East Central Athletic and Oratorical association will be held here February 26. This was the decision reached at the meeting Saturday afternoon of the representatives of the high schools in the association. Greensburg, Shelbyville, Greenfield and Rushville were represented at the meeting.

The annual oratorical contest and the track and field meet were awarded to Greensburg. The tentative dates for the oratorical and track meet of the association are May 12 or 13. The Greensburg officials could not state definitely the day on which they wanted the meeting, but it will be one or the other of these two dates.

Thus far four teams are certain of participating in the basketball tournament to be held here two weeks from last Saturday. These teams are Shelbyville, Greensburg, Connersville and Rushville. The Richmond high school is in this association but had no representative at the meeting Saturday, on account of a teachers' institute. It is hardly likely that the Richmond team will take part in the tournament, as this team is anxious to win the district tournament to be held there in March and will not take any chances of putting the team in poor condition.

The local school authorities are anxious to have at least six teams participate in the tournament and will probably invite Franklin and Columbus to take part. The tournament will start at one o'clock in the afternoon and the deciding game will be played at night. There was some talk also of inviting the Milroy high school to participate. Milroy is more than willing to send its team here. A decision as to this point will be made in a few days.

A large delegation of rooters from all the cities represented is promised and the event will be the biggest thing in athletics held here in some time. The meeting was attended by G. M. Wiley of Greensburg; D. M. Follem of Shelbyville and Prof. Andrews of Greenfield. Greenfield has no basketball team, but will participate in the track meet.

H. E. BARRETT ENDORSED

Democratic Central Committee Comes Out For Local Candidate.

The Democratic central committee of this county has adopted resolutions strongly endorsing Howard E. Barrett, who seeks the Democratic nomination for joint senator from this, Hancock and Decatur counties. ANNOUNCEMENT DEFERRED

Expectation Secretary of War Might be Named Not Realized.

(By United Press.) Washington, Feb. 14.—Expectation that the President Wilson would announce a successor to the war secretaryship was dashed today on his return to the white house. Instead it was made known the announcement might be deferred several days.

"LAZY HUSBAND" ACT IS INVOKED

Silverton Miller Fined \$50, Given Stiff Sentence For Failure to Support Wife.

FIRST APPLICATION HERE

Silverton Miller, of North Harrison street, pleaded guilty to the charge of failing to support his wife, as drawn under the "lazy husband" act, in circuit court this afternoon. A fine of \$50 and costs and a six months sentence at the penal farm were suspended by Judge Sparks pending the defendant's attitude towards his wife.

The "lazy husband" affidavit was signed by his wife, Mrs. Nina Miller, who alleged that he was not supporting her and making no attempt to work. This is the first case filed here under the so-called "lazy husband" law, which was passed by the last legislature.

ORPET BOUGHT A 'TWO-OUNCE BOTTLE

Wisconsin Student, Held For Girl's Murder, Did Not Buy Poison, Drug Clerk Says.

BOTTLE IS STILL MISSING

(By United Press.) Madison, Wis., Feb. 14.—Charles Hessinger, clerk in a local drug store, admitted to the police today that on last Tuesday he had sold an empty two-ounce bottle to William H. Orpet, Wisconsin university student held for the murder of Marian Lambert at Lake Forest, Ill. Tuesday was the day Orpet left for Lake Forest to meet Marian.

The bottle from which the Lambert girl took the poison has never been found. Young Orpet's arrest in connection with the case, authorities said, was based on the theory that he had purchased the poison.

Hessinger emphatically denied that there was any poison in the bottle he sold Orpet Tuesday. Hessinger admitted that he had sold Orpet through a mutual friend an abortive medicine last August.

Doctors who have examined the Lambert girl's body said there was no occasion for such medicine but the police theory is that the girl feigned a situation to hold Orpet.

POLICY IS ONLY PARTLY DECIDED

Small Points Regarding Attitude of United States to New Tuetonic Sea Plans Determined.

WILSON AND LANSING AGREE

Issues Arising Over Central Powers Purpose to Torpedo Armed Merchantmen Are Grave.

Washington, Feb. 14.—President Wilson, it became known in high official circles today, is in perfect accord with Secretary Lansing as to the policy to be pursued regarding the Tuetonic decree that all armed merchantmen, passengers as well as freight, will be torpedoed without warning.

The president, his close advisers say, considers the issues which may arise through carrying out of the new Tuetonic submarine policy, fraught with possibilities as grave if not graver than any which have confronted the nation since the first shot of the European war was fired.

So far only the smaller points which must be covered in a statement embodying the government's attitude, have been determined. The view the administration will take in the event Americans are on board torpedoed ships, however, is said to be decided. Whether a warning issued to American citizens to stay off armed merchantmen would relieve the central powers of any liability for damages is one of the most difficult problems presented. No conclusion on this point has been reached.

The state department was advised today that photographs of the British orders to ship captains to "ram or run" when they meet submarines are on the way from Germany.

State department officials said Germany draws no distinction between passengers and freight vessels. The name merchantmen includes both classes of ships.

The text of Austria's decree arrived and will be sent to the president with that of Germany.

The Business of Forgetting

One of the things we all do well to forget.
Names that were household words yesterday are gone today.
The world only looks to its to-morrow—never its yesterday.
Because people know your goods and your store a year ago it is no sign they do today.
They forget easily.
You must keep yourself in the public mind by advertising.
It is just as important to make old friends remember as it is to win new friends.
Advertising does both.

THROWS AWAY HIS CANE AND WALKS

J. P. McGilliard of Muncie Attributes Wonderful Improvement to Tanlac.

Muncie, Ind., Feb. 14.—"I've laid aside my canes and walked uptown unassisted for the first time in three months, thanks to Tanlac," J. F. McGilliard, one of the best known men in this city, said recently.

"I had rheumatism for more than a year," Mr. McGilliard continued, "and was unable to work during that time. For the last three weeks the only way that I could walk at all was with the assistance of a cane in each hand. My knees were so stiff I couldn't bend them. I suffered great agony, often lying awake all night. I lost strength and flesh rapidly.

"Nothing helped me until I began taking Tanlac. Now I have taken just two bottles of the medicine and feel like a different man. Today I laid my canes aside for the first time in three months. I feel better than I have for a year. The pain and stiffness in my knees has been relieved. Now I am sleeping peacefully through the night, undisturbed by the excruciating pain that kept me awake months. I am gaining strength and flesh daily.

Tanlac, the Master medicine referred to by Mr. Gilliard, who, until his health failed, was caretaker of Beech Grove cemetery, is especially beneficial for stomach, liver and kidney troubles, rheumatism, nervous debility, loss of appetite, sleeplessness, hard coughs, colds, catarrhal affections and diseases of the mucous membranes. It is now sold exclusively in Rushville at—

How We Wash Your Linen

At our modern laundry your clothes are washed by being placed inside a large perforated cylinder which revolves inside a water tight case. The case holds the water—the cylinder carries the garments through it.

With every revolution the clothes are carried through the water and dropped again into it. This and the constant motion work the water and soap suds through the clothes, and so loosen up and carry away the dirt without the wear of the rubbing process.

In our washing process we change the water upon your clothes seven times. These waters range in temperature from cold to boiling hot. We use pure soap, plenty of it, and the money can buy.

Naturally we make your clothes whiter, cleaner and sweeter and guarantee their perfect sanitary condition.

FOR BRONCHITIS, PAINFUL COUGH, WHOOPING COUGH AND COLDS

Cheapest Remedy Made at Home— 128 Teaspoonfuls for 50 Cents.

When in need of a remedy for the treatment of Bronchial Affections, such as Bronchitis, Whooping Cough, Croup, Stubborn Coughs, Colds or Hoarseness, don't simply ask the druggist for a "Cough Medicine" but get the best. Tell him to give you Schiffmann's New Concentrated Expectorant, instead of being induced into buying something else purely on the strength of some testimonials or the exaggerated claims of the manufacturer. The same "Money Back" guarantee goes with every bottle of this remedy sold by Fox Bros. as does with Dr. Schiffmann's famous Asthmador and your money will be refunded, if it does not give perfect satisfaction; in fact even more, if it is not found the best remedy ever used for these affections. In buying this new remedy, besides securing the guarantee these druggists give, it will likewise be found the most economical to use, for the reason that one bottle (50 cents' worth) makes a full pint (128 teaspoonful) of the most excellent cough medicine, after being mixed at home with one pint of granulated sugar and one-half pint of water. One bottle will probably, therefore, be sufficient for a whole family's supply the entire winter, while the same quantity of the old, ordinary, ready-made kinds of medicine would cost between \$2 and \$3. It is prepared from strictly harmless plants, contains absolutely no chloroform, opium, morphine or any other narcotic or injurious drugs as do most cough remedies, and it can therefore be given to children with perfect safety. It is pleasant to take and children are fond of it. Absolutely no risk whatever is run in buying this remedy under the above positive guarantee. R. J. Schiffman Prop., St. Paul, Minn.

MAKES IT FIFTH STRAIGHT WIN

Rushville High School Basketball Team Takes Greensburg High 54 to 33, Saturday Night.

A WHIRLWIND IN LAST HALF

Locals Fail to Show Form in First Half and Barely Keep Lead Over Visitors.

After displaying rather poor form in the first half, the Rushville high school team came back strong in the final period of the game with Greensburg Saturday night and won the game by the score of 54 to 33. The teams appeared to be evenly matched in the first half, due partly because Rushville was not playing in form.

The playing in the first half was ragged from a Rushville standpoint and good from that of the Greensburgers, because the score was close. All through the first half there never at any time was a difference of over two points between the teams and the half ended 19 to 17 with Rushville in the lead.

The second half was an altogether different story. The Rushville team "found" itself and registered goals almost at will. At one time the score was 45 to 23 and as the game neared the close Rushville slackened the pace and Greensburg scored an additional ten points. The game was rough and fast and at times both teams displayed good team work.

The Rushville forwards could not locate the baskets in the first half, while Greensburg showed a slightly better form. Before the last half had progressed five minutes it was evident that the locals had the game sewed up as they gradually pulled away from the visitors. In the last half the Rushville team literally battered down the Greensburg defense and for a time it appeared a stough it was all one-sided. In this final period Rushville scored 23 points before Greensburg made a goal and this showing completely swept the visiting team off its feet.

Stoops led the scoring for the locals with twenty-nine points. Martin was a close second with 16 points and Caron registered 10 points. For Greensburg Turner played a good game. The work of Frazier, the Rushville guard, was of high order. Frazier was all over the floor, and besides breaking up play after play, followed the ball closely. His work on the defensive was the best witnessed on the local floor this year. The victory Saturday night was the fifth straight win on the home floor. The team has yet to be defeated here.

The line-up and summary:
Rushville (54) Greensburg (33)
Stoops F Zetterberg
Caron F Kautz
Martin C Turner
Frazier G McAllister
Reed, Dye G Marlowe

Field goals—Stoops 12; Caron, 5; Martin, 8; Zetterberg, 4; Kautz, 4; Turner, 6; McAllister, 1.

Foul goals—Stoops, 5; Zetterberg, 2.

TIGERS BADLY WALLOPED

Defeated in Curtain-Raiser - Saturday Night by Fairview.

The Fairview Athletic association defeated the Tigers, a local independent five, in the curtain-raiser for the Rushville-Greensburg game Saturday night, by the score of 33 to 10. The Tigers never did have a chance to finish with the long end of the score. The first half ended 24 to 4. The line-up and summary:

Fairview (33) Tigers (10)
Smelser F Wright
Darnell F Walker
Peters C Sharp
Martin G Foster
Hinchman G Shannahan

Field goals, for Fairview—Smelser, 7; Darnell, 4; Peters, 5; for Tigers—Walker, 2; Foster, 2; Shannahan, 1; foul goals—Smelser one for Fairview. E. Stoops substituted for Walker the last half.

CRUISER SINKS AND 374 ARE LOST

French Vessel Admiral Charner is Torpedoed and Only One Man on Her is Saved.

NO WORD SINCE FEBRUARY 8

(By United Press.)

Paris, Feb. 14.—Three hundred and seventy-four lives were lost when the French cruiser Admiral Charner was sunk off the Syrian coast. Dispatches confirming the loss of the cruiser today said that only one man was saved.

The ministry of marine gave out a statement last night expressing fear for the safety of the Admiral Charner, a 4,680-ton cruiser. It was stated that no word had been received from her since February 8 when a German report stated that a French warship had been torpedoed by a German submarine.

Obituary

Arkansas Dudgeon, daughter of Ransom and Phoebe Dudgeon was born June 6th 1860.

When about sixteen years of age she united with the Methodist church at Mt. Olivet during the ministry of Rev. Harris and Lathrop.

At the age of 18 she was married to Daily C. Aldridge. To this union eight children were born, Rhoda, Ransom, Joe, James, Mary Elmer, Elbert and Cecil.

She has been in poor health for twenty-one years. Having had the pneumonia at the birth of her youngest child, which left her with a cough. During all these years she has been a patient sufferer never complaining of her lot.

Her last serious illness came upon her on Sunday when she again was taken with pneumonia. She knew of her serious condition and told her husband that she new the end was near, but that death held no fears she was prepared to go.

On Thursday evening about seven o'clock the summons came. She answered the call passing peacefully and silently to the Life Beyond.

Many times her health did not permit her participating in public worship. But their family altar was always maintained, she alternating in leading the worship each evening with her husband. She lived to see her children grown to manhood and womanhood and lead to the Christ whom she loved.

Besides the husband and children she leaves a mother, one sister, Matilda Hasty, two brothers Jasper and Henry, eighteen grandchildren and a host of friends. 289t1

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

REVIVAL FOR EVANSVILLE

The Rev. H. W. Stough Will be in Charge

(By United Press.)

Evansville, Feb. 14.—The Rev. W. Stough, evangelist, who is trying to drive the devil out of Atlantic City where the latter is said to be well established, has contracted to do the same in Evansville, and will work here nine weeks. A down-town tabernacle seating 8,000 will be built. Stough is said to have made 12,000 converts in Buffalo. He will come here after going to Tampa, Florida, and Knoxville, Tennessee. His advance men conferred with local ministers today.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Olive Tablets.

Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists. The Olive Tablet Company, Columbus, O.

DRESS WARM AND KEEP FEET DRY

Tells Rheumatism Sufferers to
Take Salts and Get Rid
of Uric Acid.

Rheumatism is no respecter of age, sex, color or rank. It is not the most dangerous of human afflictions. It is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

The Catholic Ladies Aid Society will meet with Mrs. Kate Jones at her home at 625 West First street Thursday afternoon.

The Auction Bridge club will be entertained by Mrs. Walter Hubbard and Mrs. Will Norris at the home of Mrs. Hubbard on Tuesday afternoon instead of Thursday, the regular date.

A delightful evening and supper were enjoyed last night at the home of Mr. and Mrs. Harry Allen when they entertained Mr. and Mrs. Ernest Carpenter and Mr. and Mrs. Frank McIlwain and family.

CARD CLUB

One of the small but joyous affairs of the day, was the meeting of the Monday Card Club with Mrs. Charles A. Frazee at her home in North Main street. A congenial group of players surrounded the card tables as they enjoyed a pleasant social afternoon during the card games.

SOCIAL CLUB DANCE.

The members of the Social Club are preparing to don their best bib and tucker and attend the formal dance given on Wednesday evening. The affair, which is an annual one, promises to equal and exceed the brilliancy of the former balls. Five pieces of Mitchell's orchestra will play for the delightful occasion.

ALL DAY AFFAIR.

An affair of singular delight was the series of parties given this week-end by a merry crowd of six young couples. Second, in the order of episodes was the dinner party yesterday at the home of Miss Gertrude Wilkinson. The flower bedecked table resembled a huge Valentine, with the gay group of young faces gathered around. Red and white carnations predominated in the decorations and cupid place cards marked the places. One of the daintiest of the courses was the one where tiny eupids, by means of a toothpick, were perched in the salad.

After a pleasant afternoon, the same amiable group enjoyed a buffet supper at the home of Miss Helen Hale. With tasteful decorations, the home had been made radiant for the delightful occasion. A delicious supper was served.

HOUSE PARTY.

Misses Grace and Lois Bussel entertained at a week-end house party Miss Velma and Lucile Huls, Carl Rush and Arthur Overby of Indianapolis. The guests departed Sunday evening after a very delightful visit.

BIRTHDAY SURPRISE.

Several friends completely surprised Jacob Webber, 523 West Fifth street Saturday night on the occasion of his birthday anniversary. They brought in baskets of food that made a supper that will long be remembered. The dining table was made more attractive with a beautiful bouquet of red and white carnations. Following the meal, the evening was spent playing Rook, Euchre and other games, and with music. Those who enjoyed the delightful evening were Mr. and Mrs. Andrew Moore, Mr. and Mrs. Louis Saddler and son, Mr. and Mrs. Percy Wright and daughter and son, Mr. and Mrs. Will Gregory and daughter, Mr. and Mrs. Roscoe Brooks, Glen Edwards, Mr. and Mrs. Arnold Ormes and family and Miss Nora Cochran.

INFORMAL PARTY

A very enjoyable time was had, when a number of the neighbors and friends of Mr. and Mrs. Claude Hunt gathered at their home near Gings on Friday evening. Rook and several other fun-making games made the evening one of rare delight. A dainty repast was served near the close of the pleasant affair to the guests, who were Mr. and Mrs. E. A. Billings, Mr. and Mrs. G. I. Austen, Mr. and Mrs. Clarence Daubenspeck and daughters, Verrill and Mary Ella, Mr. and Mrs. Gilbert Austin, Miss Beatrice Austin, and Chase and Charles Jarrett.

MUSICALE ENTERTAINMENT

One of the most interesting of today's incidents, was the delightful party given this afternoon for the members of the Musicale who have been enjoying such excellent programs this year. This meeting, for the members and their guests, however was purely social, the associate members entertaining at the home of Mrs. Willard Amos. By the pleasant afternoon furnished, the associate members, who take no part in the programs, have more than repaid the active members.

Beautiful red carnations were the happy selection, to carry out the Valentine color scheme, and they gracefully adorned all corners of the room. A number of red hearts were also in evidence and helped furnish the festive background for the affair.

A "Musicale Hunt" which was as mysterious as the name suggests, was a clever contest in which musical terms and composers were to be guessed from certain articles in evidence that suggested their names. An iron handle represented "Handel," three tiny dolls, were "triplets," and a pair of spectacles were the substitute for "reed instruments."

Equally amusing was the "Musical Romance" in which the courtship and marriage of a young couple was told in song titles, "Robin Adair," and his bride had "Whistling Rufus" for the music at their wedding which took place in "My Old Kentucky Home." Their home was "On the Banks of the Wabash," and they always lived in "America."

The dainty refreshments served carried out, too, the idea of the day. Red hearts, were in evidence in the ice cream, cake, and mints. About seventy-five members of the musicale and their guests were entertained by this genial group of hostesses who were: Mrs. J. D. Case, Mrs. Roscoe Ward, Mrs. Will Abercrombie, Mrs. James Dill, Mrs. Minor Bell, Mrs. John Stiers, Mrs. Edwin Payne, Mrs. E. A. Lee, Mrs. A. C. Brown, Mrs. Lieu Oneal, Mrs. F. H. Green, Mrs. William Gartin, Mrs. Willard Amos, Mrs. Flora Gray, Mrs. A. T. Mahin, Mrs. William Bainbridge, Mrs. A. B. Flinn, Mrs. George Wingerter, Mrs. Mary Brown, Mrs. H. G. Francis, and Mrs. Howard Ewbank.

FAMILY DINNER.

A pleasant family reunion was enjoyed yesterday when Mrs. Anna Marlatt entertained at her home, Mr. and Mrs. Ivan Brenner, of Winchester, Mr. and Mrs. Frederick Miller and children, Virgil and Elizabeth Ann of Connersville. J. H. Scholl and daughter, Josephine, Miss Mary Marlatt, Ernest Marlatt, of Manilla, and Earl Marlatt of this city. Mrs. Brenner, who was formerly Miss Anna Marlatt, taught in the high school here several years ago and though her visit is a short one, she is universally welcomed by her many friends.

MODERN POETS

Whether Miss Donnan had intentionally saved the best for the last or not, she did not say; nevertheless it seemed that way when Saturday afternoon her personality seemed especially radiant and her clear train of thoughts on several of the best-known modern writers was interesting, more than ever. The class had it's last meeting of the year at the home of Mrs. F. G. Hackleman, who aside from the regular meeting, had planned a delightful social afternoon for the members.

W. L. George, was the first of the English writers, Miss Donnan spoke of and, because of the number of his writings about women, said he had been called "the leading spokesman for the English feminist," and had given her credit for not lacking the ability to do things that men do, but merely the bringing up to do them. In reviewing his book "The Making of an Englishman," Miss Donnan spoke of the author's especial success in character analysis and through the Frenchman who tries to become very English, he presents the temperamental differences between the English and French. "The Second Blooming," the next book she mentioned, follows the married life of three sisters, none of whom are happily married, not because of their husbands, but because they merely married as a thing of fashion and their romantic sense was never satisfied. The predominating restlessness of today, too was given as a reason for their dissatisfaction.

In "The Stranger's Wedding," Roger Humbolt, an Oxford graduate, takes up settlement work and in the slums, meets Susan Grobey, with whom he falls in love and marries. He did so, thinking her faults, caused by her environment, can be easily remedied, but as Miss Donnan said, "He missed his calculation," she recited a number of amusing incidents in their married life, illustrating Susan, who has no desire to learn other than to please Roger, making countless blunders and Roger impatiently correcting her. In their ten months of married life,

they utterly fail to adjust their differences, for two reasons, Miss Donnan said. "One that Susan was content to be as she was; another that Roger imagined he could wipe out the traditions of years in her life in a few months."

Rupert Brooks, one of the most talked of, of modern poets, was next mentioned. Miss Donnan told of how at the very height of his career being only twenty-eight, he was killed at the Dardanelles. In the two volumes of his poetry published since his death, the romantic side of his work, that appeals to the imagination is apparent, also the impressions of his spiritual quali-

ties and enthusiasm are shown. Having learned all the technique of poetry, it has been said of him, that he reached the high water mark of the English sonnets. "He is a poet's poet," commented Miss Donnan, as she read several of her favorites among his selections, with her charming expression and low musical voice. "These show that he has a keen enjoyment for many, many things of life."

And speaking of the poems of Sara Teasdale, she said "It is a relief after the deep poems of today, to read these simple spontaneous love lyrics, some with a classical

Health for Sick Women

For Forty Years Lydia E. Pinkham's
Vegetable Compound Has Been
Woman's Most Reliable Medicine
—Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:—

North Crandon, Wis.—"When I was 16 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep about and do my work. I went to a doctor and he told me I had a displacement and ulcers, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound I thought I would give it a trial and it made me as well as ever. I cannot say enough in favor of the Pinkham remedies."—Mrs. MAYME ASBACH, North Crandon, Wis.

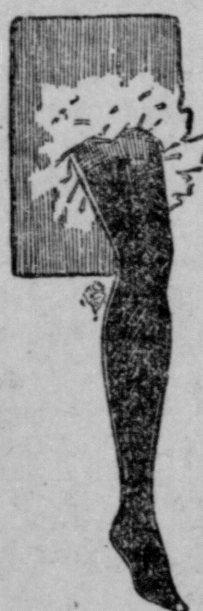

Testimony from Oklahoma.

Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tired easily and had headaches much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good at that time. I never fail to recommend Lydia E. Pinkham's Vegetable Compound to ailing women because it has done so much for me."—Mrs. A. L. McCASLAND, 509 Have St., Lawton, Okla.

From a Grateful Massachusetts Woman.

Roxbury, Mass.—"I was suffering from inflammation and was examined by a physician who found that my trouble was caused by a displacement. My symptoms were bearing down pains, backache, and sluggish liver. I tried several kinds of medicine; then I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am pleased to be in my usual good health by using it and highly recommend it."—Mrs. B. M. Osgood, 1 Haynes Park, Roxbury, Mass.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

PAROLE LAW IS BROKEN BY MANY

Declared a Success, But Charity Board's Figures Show 26 Per Cent Are Sent Back.

CAREFUL RECORD IS KEPT
Economical Value is Shown by Figures Dealing With Their Earnings and Expenses.

(By United Press.)
Indianapolis, Feb. 14.—The indeterminate sentence and parole law, after having been in operation 19 years, was pronounced a success today by the Board of State Charities in an extraet made public from its forthcoming annual report.
However, the board's figures showed that of the 9,338 prisoners paroled, 2,508, or 26.86 per cent, had proved unsatisfactory.
"A careful record of the earnings and expenses of these paroled prisoners is kept," says the record. "The report shows an aggregate of \$2,620,628.77 earned in addition to which many received board, lodging and laundry. Expenses amounting to \$2,143,423.41 were reported, leaving a balance on hand of \$447,205.36 which is an average saving of \$51.10 each.
"It speaks well for the economical value of the law that these men and women, instead of being maintained in prison at public expense, proved themselves capable of obeying the law and earning their own living."
The law applies to men over sixteen years of age and women over eighteen years, convicted of a felony other than treason, murder, or rape.

VALENTINE PARTY AT WHITE HOUSE

(By United Press.)
Washington, Feb. 14.—President and Mrs. Wilson will make merry at a real, old fashioned St. Valentine's party given by the Congressional club tonight. The President for the evening will put aside international crises and the other grave concerns that have engaged him almost ever since the war began. The spirit of the evening may be imagined from the nature of the valentine that will be presented Mrs. Wilson upon her arrival; an old fashioned nosegay in a lace paper holder. The only reminder of present day affairs will be the secret service men who will search the clubhouse this afternoon and attend the party tonight. Only members of the Congressional club have been invited and the list of guests has been submitted for President Wilson's approval.

HOPES TO LAND NEW MEMBERS

National Charities and Correction Convention Will First Start a Campaign.

WILL MEET IN INDIANAPOLIS

Indianapolis, Feb. 14.—The coming of the National Association of Charities and Correction convention is to be signalized by a statewide membership campaign that is now under way. The convention is May 10 to 17 and will bring between three and five thousand delegates to Indianapolis.

Last year the meeting was held in Baltimore where a membership campaign added more than 600 names to the roster. The Indiana workers, headed by Miss Edna Henry of this city have set their mark at 1,000. Every social worker, paid or voluntary, is eligible. At present Miss Henry is choosing county aides, all of whom will be women. She expects in the next few weeks to have obtained a helper in each of the ninety-two counties.

PUTS GALLOWES IN CONDITION

Sheriff at Concord Gets Ready For Execution, First in Twenty-Three Years.

PENALTY ON WIFE MURDERER

Oscar J. Comery Slated to Swing Next Friday Morning—Rare Thing For State.

(By United Press.)

Concord, N. H., Feb. 14.—The same old gallows used at the last execution in this state, 23 years ago, when Frank C. Almy dangled and strangled for sixteen minutes, will be mounted by Oscar J. Comery, confessed wife murderer, here next Friday morning.

Concordians who as children stood in the sinister shadows of its weatherbeaten old timbers have grown to be young men and women, looking upon the gallows as more of a relic than anything else; and the story of Almy's hanging to them is almost a legend.

But those who chanced to go that way today paused at the sound of hammers whacking upon seasoned wood. It was Sheriff George L. Stearns' men putting the gallows in shape for its first work in nearly a quarter of a century. Stearns does not like his job. He will have to tie and blindfold Comery, put the noose about his neck and spring the trap. Stearns is a staunch churchman and opposed to capital punishment, but he says that he has accepted the office he holds and there is nothing for him to do but do his duty and take the responsibility. Comery, the man to be hanged, received \$500 insurance after his wife died.

After some time it was learned that Comery bought two grains of strychnine just before his wife's death, "to kill a dog." Mrs. Comery's body was exhumed, the poison found in her stomach and Comery was arrested. Comery admitted his guilt, it is said, declaring he wanted to marry another woman. The jury found him guilty and recommended capital punishment, a mighty rare thing for a New Hampshire jury to do.

Vinol Restored Mr. Martin's Strength

Wapakoneta, Ohio.—"I am a farmer by occupation, and the gripe left me with a bad cough and in a nervous, weak, run-down condition, and I could not seem to get anything to do me any good until I took Vinol which built me up, and my cough and nervousness are all gone, and I can truly say Vinol is all that is claimed for it."—James Martin.

Tender Teeth—the first sign of Pyorrhea

When you brush your teeth, does it feel as though you were brushing against the quick? Do the gums sometimes bleed? This is because pyorrhea has caused the gums to pull away from your teeth, leaving the unenamelled surfaces unprotected.

Your dentist will tell you, if you ask him, that you have gum recession; and that gum recession is caused by pyorrhea.

Unchecked, pyorrhea will warp and shrink and deform the gums. It will break down the bony structure into which the teeth are set—and you will eventually lose them. To save your teeth you will have to begin to fight this dread disease at once.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of pyorrhea.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today; or send 4c in stamps or coin for sample tube and folder. Address The Sentanel Remedies Company 503 Union Central Building, Cincinnati, Ohio.

PRISONER GETS NEW TRIAL

Taken From Michigan City Prison To Face Jury

(By United Press.)
Bloomington, Feb. 14.—Some of John Stewart's good spirits had fled today. He is in jail awaiting a new trial on the charge of killing John Ridley. When Stewart arrived here from Michigan City after the supreme court allowed him a new trial he was as happy as a boy, but life in a jail is almost as monotonous as life in the prison where a life sentence faced him.

NEW YORK IS IN GRIP OF BAD STORM

Worst is Yet to Come as Weather Bureau Orders Storm Signals Be Hoisted.

CITY IS COVERED WITH ICE

(By United Press.)
New York, February 14.—Following 24 hours of wind, snow and sleet, with the lowest temperature of the year, two above zero, a storm warning from the New York weather bureau today gave promise that the worst is yet to come.

"Hoiest storm warning from Cape Hatteras to Boston," said the weather bureau's bulletin.

New York was covered with a coating of ice and snow but early today no fatalities had been reported. Railroad traffic was delayed. Wire communications suffered.

TRAIL LEADS TO ANARCHIST'S LAIR

Police Seek Jean Crones, Who Was Companion of Widow of Bressci, King Humbert's Assassin.

GUESTS BARELY MISS DEATH

(By United Press.)
Chicago, Feb. 14.—The trail of Jean Crones, alleged anarchist wanted in connection with an attempt to poison 300 persons at the University club banquet for Archbishop Mundelein last Thursday night led to the deepest of anarchistic channels today.

Police Chief Healey admitted he had wired St. Paul police to look for Mrs. Gaetano Bressci, widow of the assassin of King Humbert. Crones, police said, was an intimate friend of the regicide's widow and once roomed with her in Chicago.

An analysis of the poisoned soup which made the guests sick has just been completed by Dr. Frederick O. Toney and showed that those who partook of it barely missed death. The portion for each guest was one and one-half grains of oxide of arsenic. Two grains are said to be fatal.

ARGUE LEGALITY OF A STATE LAW

Attorney General Stotsenburg, Legal Clerk Bert New and J. H. Kiplinger Speak to Court.

AND GAS RATES TOPIC AGAIN

Kiplinger, For City, Maintains Public Service Commission Has Not Right to Raise Charge.

The legal right of the public service commission of Indiana to raise rates was threshed out before Judge Sparks today in circuit court, when a question was raised on a demurrer to the amended second paragraph of partial answer filed by the city of Rushville in the case against the commission asking for an increase and a review of the order of the public service commission of the state of Indiana to raise the rates of the natural gas company and the fuel company of this state.

Decision on the right of the commission to raise rates of utilities was brought up in the answer to the demurrer. The public service commission was represented here by Evan B. Stotsenburg, attorney general, Bert New, legal advisor to the governor, and Thomas M. Green. The city was represented by John H. Kiplinger.

Decision in this case is important in the very life of the commission at stake, as argued by the city. The city alleges that the commission is without legal right to establish rates, especially where the rates are established by franchise with the city. The argument was heard for about four hours. A large number of cases were cited to the court and the matter was entirely new of law.

Mr. Kiplinger maintained that by an act of 1905 the cities of Indiana were given the right to grant franchises and establish rates. He stated that the language of the legislation was plain. He held that the franchise companies were operating here under franchise and that the franchise was established in the city. It was pointed out that once the franchise ran during the time of the gas companies there in existence the rates could be changed by the public service commission, as the franchise contract.

Attorney General Stotsenburg told the court that since the state is supreme over the city it did have a right to establish rates. He stated that the right to fix rates belonged with the state and declared that the courts have held that rate contracts without-time limits, as the franchises of the gas companies are void and again at the public utility. The argument of the demurrer drifted to the question of whether the state or the city has the right to establish rates. The attorney general defended the law creating the public service commission and cited at least one case where a similar law had been upheld by the supreme court. This was the best Virginia law.

Mr. Kiplinger, for the city, maintained on Feb. 5.

FINED IN CIRCUIT COURT

Pearl Kiskeaton Assessed \$5 and Costs For Fighting.

Pearl Kiskeaton pleaded guilty to an assault and battery charge this morning in circuit court and was fined \$5 and costs by Sparks. The affidavit against him was filed by Mack Campbell, following a fight on the night of January 30. Kiskeaton eluded the officers until yesterday when he was found. A provoke charge was also filed against him but will likely be dismissed. Kiskeaton had no money and went to jail to lay out his fine.

PROPERTY SOLD FOR BACK TAXES

Louis Lambert Buys Five Pieces, Three in Rushville, One Each in Arlington and Milroy

SALE AMOUNTS TO ONLY \$60.46

The sale of property for the collection of delinquent taxes, held this morning, was the smallest in several years. The sale only totaled \$60.46. Five pieces of property were offered for sale, three of these in Rushville, one in Arlington and one in Milroy. Louis Lambert bought all of them. One piece did not sell as the taxes were considered more than the property was worth.

Last year the delinquent tax sale amounted to \$92.77. The current tax is included in the amount of delinquent tax. Of the total amount of \$60.46, \$29.90 was for sewer and street assessments here in Rushville. The property can be redeemed in two years. Several of the delinquents paid their taxes this morning before the sale took place. Mr. Lambert had representatives in sixty-five counties of the state today buying property at the delinquent tax sales.

MERCURY DESCENDS TO FIVE BELOW ZERO

Severe Weather of Sunday Night Will be Superseded by Fair and Warmer Weather.

EAST GALE BRINGS A SNOW

Five below zero was recorded at the county weather observation station at Maunzy last night, which is not the lowest mark of the winter, but which comes near being as cold as any yet recorded in 1916. Some relief from the severe weather is promised for tonight and tomorrow in today's weather prediction which reads fair and warmer.

A snow from the east, driven by a stiff wind, kept most people indoors Saturday night. Sunday morning the snowfall did not appear heavy because the snow was drifted and as the city snow plow was not out, residents had to clean their own walks. The mercury went down during Sunday and was hovering around zero in the afternoon.

MANY WITNESS "MOVIES OF SKY"

Celestial Wooling of Venus by Jupiter Brings to Planets in Conjunction Sunday Night.

SEEN WHEN DARKNESS CAME

Two Very Bright Stars Dominate Western Horizon, Their Brilliancy Attracting Attention.

Persons who had advanced notice of the enactment by two planets of the "Movies of the Sky" witnessed the spectacular phenomena Sunday night shortly after darkness had settled down on the earth. The actor and actress having the leading roles in this drama, entitled "The Sky Wooling," are Venus and Jupiter. It is visible to the naked eye and was observed by many persons who did not know that these two planets were to be in conjunction Sunday night.

In the scientific terms of astronomers the scene is "the most beautiful configuration of the planets to be seen during the month of February." Translated into ordinary language they mean that the western heavens are dominated by two unusually bright stars. They are visible almost immediately after sunset, almost directly in the southwest, half way to the zenith. The upper star is Jupiter which is more than five times the earth's distance from the sun. The lower star is Venus and is 67,000 miles from the sun. The two stars are unusually bright but it is their action that is of interest at this time.

Among planets as among mortals, however, familiarity seems to breed contempt. For, after such close association with Jupiter, Venus passes him and moves higher in the heavens. Meanwhile an interested man in the moon takes lively concern in the celestial courting.

The flight of Venus continues until April 24th, when she apparently regrets hasty action and, after hesitation, retraces her steps, glowing brighter and brighter as she seeks the lover she forsook.

After May 27, her lustre rapidly fades. This may be because she will have lost hope of overtaking Jupiter, but professional star prophets cite intricate calculations to prove that what really happens is a conjunction of Venus with the evening sun.

It is not often such an act as this is seen in the movies of the sky. The professional astronomer says "such a configuration of the planets is of rare occurrence; anyone will be well repaid for watching it carefully and receive a most impressive object lesson in the motions of the planets."

This, astronomers say, is due to the fact that the path of Venus about the sun lies entirely within that of the earth, while the orbit of Jupiter lies entirely outside of it. The only other planet that behaves like Venus is Mercury, while all others follow the example of mighty Jupiter.

TOURNAMENT IS TO BE HELD HERE

East Central Indiana High School Association Also Picks Tentative Date For Oratorical.

WILL BE HELD AT GREENSBURG

Four Teams Are Certain For Tournament and Two Others May be Invited to Enter.

The basketball tournament of the East Central Athletic and Oratorical association will be held here February 26. This was the decision reached at the meeting Saturday afternoon of the representatives of the high schools in the association. Greensburg, Shelbyville, Greenfield and Rushville were represented at the meeting.

The annual oratorical contest and the track and field meet were awarded to Greensburg. The tentative dates for the oratorical and track meet of the association are May 12 or 13. The Greensburg officials could not state definitely the day on which they wanted the meeting, but it will be one or the other of these two dates.

Thus far four teams are certain of participating in the basketball tournament to be held here two weeks from last Saturday. These teams are Shelbyville, Greensburg, Connersville and Rushville. The Richmond high school is in this association but had no representative at the meeting Saturday, on account of a teachers' institute. It is hardly likely that the Richmond team will take part in the tournament, as this team is anxious to win the district tournament to be held there in March and will not take any chances of putting the team in poor condition.

The local school authorities are anxious to have at least six teams participate in the tournament and will probably invite Franklin and Columbus to take part. The tournament will start at one o'clock in the afternoon and the deciding game will be played at night. There was some talk also of inviting the Milroy high school to participate. Milroy is more than willing to send its team here. A decision as to this point will be made in a few days.

A large delegation of rooters from all the cities represented is promised and the event will be the biggest thing in all the state.

"LAZY HUSBAND" ACT IS INVOKED

Silverton Miller Fined \$50, Given Stiff Sentence For Failure to Support Wife.

FIRST APPLICATION HERE

Silverton Miller, of North Harrison street, pleaded guilty to the charge of failing to support his wife, as drawn under the "lazy husband" act, in circuit court this afternoon. A fine of \$50 and costs and a six months sentence at the penal farm were suspended by Judge Sparks pending the defendant's attitude towards his wife.

The "lazy husband" affidavit was signed by his wife, Mrs. Nina Miller, who alleged that he was not supporting her and making no attempt to work. This is the first case filed here under the so-called "lazy husband" law, which was passed by the last legislature.

ORPET BOUGHT A 'TWO-OUNCE BOTTLE

Wisconsin Student, Held For Girl's Murder, Did Not Buy Poison, Drug Clerk Says.

BOTTLE IS STILL MISSING

(By United Press.) Madison, Wis., Feb. 14.—Charles Hessinger, clerk in a local drug store, admitted to the police today that on last Tuesday he had sold an empty two-ounce bottle to William H. Orpet, Wisconsin university student held for the murder of Marian Lambert at Lake Forest, Ill. Tuesday was the day Orpet left for Lake Forest to meet Marian.

The bottle from which the Lambert girl took the poison has never been found. Young Orpet's arrest in connection with the case, authorities said, was based on the theory that he had purchased the poison.

Hessinger emphatically denied that there was any poison in the bottle he sold Orpet Tuesday. Hessinger admitted that he had sold Orpet through a mutual friend an abortive medicine last August.

Doctors who have examined the Lambert girl's body said there was no occasion for such medicine but the police theory is that the girl feigned a situation to hold Orpet.

POLICY IS ONLY PARTLY DECIDED

Small Points Regarding Attitude of United States to New Tuetonic Sea Plans Determined.

WILSON AND LANSING AGREE

Issues Arising Over Central Powers Purpose to Torpedo Armed Merchantmen Are Grave.

Washington, Feb. 14.—President Wilson, it became known in high official circles today, is in perfect accord with Secretary Lansing as to the policy to be pursued regarding the Tuetonic decree that all armed merchantmen, passengers as well as freight, will be torpedoed without warning.

The president, his close advisers say, considers the issues which may arise through carrying out of the new Tuetonic submarine policy, fraught with possibilities as grave if not graver than any which have confronted the nation since the first shot of the European war was fired.

So far only the smaller points which must be covered in a statement embodying the government's attitude, have been determined. The view the administration will take in the event Americans are on board torpedoed ships, however, is said to be decided. Whether a warning issued to American citizens to stay off armed merchantmen would relieve the central powers of any liability for damages is one of the most difficult problems presented. No conclusion on this point has been reached.

The state department was advised today that photographs of the British orders to ship captains to "ram or run" when they meet submarines are on the way from Germany.

State department officials said Germany draws no distinction between passengers and freight vessels. The name merchantmen includes both classes of ships.

The text of Austria's decree arrived and will be sent to the president with that of Germany.

Donald Moore is suffering from an attack of la grippe.

THROWS AWAY HIS
CANE AND WALKS

J. P. McGilliard of Muncie Attributes Wonderful Improvement to Tanlac.

Muncie, Ind., Feb. 14.—"I've laid aside my canes and walked uptown unassisted for the first time in three months, thanks to Tanlac," J. P. McGilliard, one of the best known men in this city, said recently.

"I had rheumatism for more than a year," Mr. McGilliard continued, "and was unable to work during that time. For the last three weeks the only way that I could walk at all was with the assistance of a cane in each hand. My knees were so stiff I couldn't bend them. I suffered great agony, often lying awake all night. I lost strength and flesh rapidly.

"Nothing helped me until I began taking Tanlac. Now I have taken just two bottles of the medicine and feel like a different man. Today I laid my canes aside for the first time in three months. I feel better than I have for a year. The pain and stiffness in my knees has been relieved. Now I am sleeping peacefully through the night, undisturbed by the excruciating pain that kept me awake months. I am gaining strength and flesh daily.

Tanlac, the Master medicine referred to by Mr. Gilliard, who, until his health failed, was caretaker of Beech Grove cemetery, is especially beneficial for stomach, liver and kidney troubles, rheumatism, nervous debility, loss of appetite, sleeplessness, hard coughs, colds, catarrhal affections and diseases of the mucous membranes. It is now sold exclusively in Rushville at F. E. WOLCOTT'S Drug store.

STRIKE NOT YET SETTLED

Trouble at Fort Wayne Hinges on One Thing

(By United Press.)

Fort Wayne, Feb. 14.—Settlement of the long-drawn-out street car strike here veritably hung on a button. It had been announced that the strike probably would be settled at the next meeting. But the strikers made one final demand. They demanded the right to wear their union button while at work. This the company refused to grant and the strikers walked out without arranging for another meeting. Cars have run on schedule since the first week of the strike.

RUMANIA MOBILIZED.

(By United Press.)

Paris, Feb. 14.—Rumania mobilization is now complete, said an official statement given out here today. The Carpathian and Danube defenses have been finished.

THURSDAY, FEBRUARY 17th, 1916

AT THE CULLEN FARM 1 1/2 MILES WEST OF RUSHVILLE

10 HEAD OF HORSES 10

Consisting of one pair three-year-old black Percheron Geldings, closely mated with plenty of size, bone and quality—the making of a very valuable team. One pair three-year-old Chestnut Belgian Percheron Geldings, out of a pair of mares that cost \$650.00—they are an exceedingly classy, draft pair, very attractive and will always be ready money at the high dollar. One eight-year-old Chestnut Percheron Gelding that will mature into the large saleable kind. One three-year-old Roan Percheron Gelding, the heavy set kind that buyers always like. Two coming two-year-old Bay Geldings, out of an extra good pair of mares, will make an exceptional good using kind. One Chestnut Percheron, 12 years old, a good brood mare. One registered three-year-old Filly, by Blackline, broke to buggy.

20 HEAD OF CATTLE 20

An extra good lot of Jersey Cows and Heifers that will freshen before or soon after sale. Most of these calves will be pure bred Gurnsey Bulls which will also be sold and just the kind that should be placed at the head of some high class dairy herd.

SHORTHORN CATTLE

Consisting of 2 Pure Bred Yearling Shorthorn Bulls, large enough for service, are red and white, the other a red roan; both out of splendid cow an extra good sire. If you want one of the best young bulls you have seen in a long time, don't miss this opportunity. 2 good yearling Grade Steers. All milch cows are heavy milkers.

100 HOGS — DUROC SOWS 50

Pure bred, double immuned, due to farrow principally in March. This select offering that I am presenting is, I feel, one of the best opportunities to be found anywhere this season of adding to your herd these few choicest sows. You can scarcely buy a good sow too high, so remember the date and help yourself at your own price. A few good young boars and gilts and a nice lot of feeders.

TERMS OF SALE—On all sums of \$10.00 or over, a credit until December 25th, 1916 will be given, purchaser to give a bankable note, with interest with approved security. All property to be settled for before being removed. 5% off for cash.

How We Wash Your Linen

At our modern laundry your clothes are washed by being placed inside a large perforated cylinder which revolves inside a water tight case. The case holds the water—the cylinder carries the garments through it.

With every revolution the clothes are carried through the water and dropped again into it. This and the constant motion work the water and soap suds through the clothes, and so loosen up and carry away the dirt without the wear of the rubbing process.

In our washing process we change the water upon your clothes seven times. These waters range in temperature from cold to boiling hot. We use pure soap, plenty of it, and the washing money can buy.

Naturally we make your clothes whiter, cleaner and sweeter—and guarantee their perfect sanitary condition.

FOR BRONCHITIS, PAINFUL COUGH,
WHOOPIING COUGH AND COLDS

Cheapest Remedy Made at Home— 128 Teaspoonful For 50 Cents.

When in need of a remedy for the treatment of Bronchial Affections, such as Bronchitis, Whooping Cough, Croup, Stubborn Coughs, Colds or Hoarseness, don't simply ask the druggist for a "Cough Medicine" but get the best. Tell him to give you Schiffmann's New Concentrated Expectoant, instead of being induced into buying something else purely on the strength of some testimonials or the exaggerated claims of the manufacturer. The same "Money Back" guarantee goes with every bottle of this remedy sold by Fox Bros. as does with Dr. Schiffmann's famous Asthmador and your money will be refunded, if it does not give perfect satisfaction; in fact even more, if it is not found the best remedy ever used for these affections. In buying this new remedy, besides securing the guarantee these druggists give, it will likewise be found the most economical to use,

for the reason that one bottle (50 cents' worth) makes a full pint (128 teaspoonful) of the most excellent cough medicine, after being mixed at home with one pint of granulated sugar and one-half pint of water. One bottle will probably, therefore, be sufficient for a whole family's supply the entire winter, while the same quantity of the old, ordinary, ready-made kinds of medicine would cost between \$2 and \$3. It is prepared from strictly harmless plants, contains absolutely no chloroform, opium, morphine or any other narcotic or injurious drugs as do most cough remedies, and it can therefore be given to children with perfect safety. It is pleasant to take and children are fond of it. Absolutely no risk whatever is run in buying this remedy under the above positive guarantee. R. J. Schiffman Prop., St. Paul, Minn. MAKES IT FIFTH STRAIGHT WIN

Nashville High School Basketball Team Takes Greensburg High 54 to 33, Saturday Night.

A WHIRLWIND IN LAST HALF

Locals Fail to Show Form in First Half and Barely Keep Lead Over Visitors.

After displaying rather poor form in the first half, the Nashville high school team came back strong in the final period of the game with Greensburg Saturday night and won the game by the score of 54 to 33. The teams appeared to be evenly matched in the first half, due partly because Rushville was not playing in form.

The playing in the first half was ragged from a Rushville standpoint and good from that of the Greensburgers, because the score was close. All through the first half there never at any time was a difference of over two points between the teams and the half ended 19 to 17 with Rushville in the lead.

The second half was an altogether different story. The Rushville team "found" itself and registered goals almost at will. At one time the score was 45 to 23 and as the game neared the close Rushville slackened the pace and Greensburg scored an additional ten points. The game was rough and fast and at times both teams displayed good team work.

The Rushville forwards could not locate the baskets in the first half, while Greensburg showed a slightly better form. Before the last half had progressed five minutes it was evident that the locals had the game sewed up as they gradually pulled away from the visitors. In the last half the Rushville team literally battered down the Greensburg defense and for a time it appeared a slough it was all one-sided. In this final period Rushville scored 23 points before Greensburg made a goal and this showing completely swept the visiting team off its feet.

Stoops led the scoring for the locals with twenty-nine points. Martin was a close second with 16 points and Caron registered 10 points. For Greensburg Turner played a good game. The work of Frazier, the Rushville guard, was of high order. Frazier was all over the floor, and besides breaking up play after play, followed the ball closely. His work on the defensive was the best witnessed on the local floor this year. The victory Saturday night was the fifth straight win on the home floor. The team has yet to be defeated here.

The line-up and summary:

Rushville (54)	Greensburg (33)	
Stoops	F	Zetterberg
Caron	F	Kantz
Martin	C	Turner
Frazier	G	McAllister
Reed, Dye	G	Marlowe

Field goals—Stoops 12; Caron, 5; Martin, 8; Zetterberg, 4; Kantz, 4; Turner, 6; McAllister, 1.

Foul goals—Stoops, 5; Zetterberg 2.

The Fairview Athletic association defeated the Tigers, a local independent five, in the curtain-raiser for the Rushville-Greensburg game Saturday night, by the score of 33 to 10. The Tigers never did have a chance to finish with the long end of the score. The first half ended 24 to 4. The line-up and summary:

Fairview (33)	Tigers (10)	
Smelser	F	Wright
Darnell	F	Walker
Peters	C	Sharp
Martin	G	Foster
Hinchman	G	Shannahan

Field goals, for Fairview—Smelser, 7; Darnell, 4; Peters, 5; for Tigers—Walker, 2; Foster 2; Shannahan, 1; foul goals—Smelser one for Fairview. E. Stoops substituted for Walker the last half.

CRUISER SINKS AND 374 ARE LOST

French Vessel Admiral Charner is Torpedoed and Only One Man on Her is Saved.

NO WORD SINCE FEBRUARY 8

(By United Press.)

Paris, Feb. 14.—Three hundred and seventy-four lives were lost when the French cruiser Admiral Charner was sunk off the Syrian coast. Dispatches confirming the loss of the cruiser today said that only one man was saved.

The ministry of marine gave out a statement last night expressing fear for the safety of the Admiral Charner, a 4,080-ton cruiser. It was stated that no word had been received from her since February 8 when a German report stated that a French warship had been torpedoed by a German submarine.

Obituary

Arkansas Dudgeon, daughter of Ransom and Phoebe Dudgeon was born June 6th 1860.

When about sixteen years of age she united with the Methodist church at Mt. Olivet during the ministry of Rev. Harris and Lathrop.

At the age of 18 she was married to Daily C. Aldridge. To this union eight children were born, Rhoda, Ransom, Joe, James, Mary Elmer, Elbert and Cecil.

She has been in poor health for twenty-one years. Having had had the pneumonia at the birth of of her youngest child, which left her with a cough. During all these years she has been a patient sufferer never complaining of her lot.

Her last serious illness came upon her on Sunday when she again was taken with pneumonia. She knew of her serious condition and told her husband that she new the end was near, but that death held no fears she was prepared to go.

On Thursday evening about seven o'clock the summons came. She answered the call passing peacefully and gently to the Life Beyond.

Many times her health did not permit her participating in public worship. But their family altar was always maintained, she alternating in leading the worship each evening with her husband. She lived to see her children grown to manhood and womanhood and lead to the Christ whom she loved.

Besides the husband and children she leaves a mother, one sister, Matilda Hasty, two brothers, Jasper and Henry, eighteen grandchildren and a host of friends.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Olive Tablets.

Dr. Edwards' Olive Tablets are the successful substitute for calomel—there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards' spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Dr. J. C. Cheney's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Louis C. Cheney, 601 E. 12th St., St. Paul, Minn.

ARGUE LEGALITY OF A STATE LAW

Continued from Page 1.

tained that the power given the public service commission to increase rates was not in accord with sections of the state and federal constitutions. Section seven of the public service commission law was attacked. This is the section giving the commission the power to raise rates. The arguments were followed closely by a number of lawyers.

Judge Sparks heard the case of William Smiley against Jess Wollington on a note demanding \$225 and took the case under advisement.

HAS HARD SCHEDULE.

The Fairview Athletic association five, which won from the Tigers here Saturday night, have several hard games ahead of them. They will take on Manilla Wednesday night and Shelbyville Saturday night. The Columbus Commercial, one of the strongest independent quintets in the state, will play at Fairview February 26. Fairview defeated Lewisville last Friday night, 48 to 11.

MAROONS DEFEATED.

The Rushville Maroons were defeated at New Salem Saturday night by the independent team of that place, 27 to 7.

REVIVAL FOR EVANSVILLE

The Rev. H. W. Stough Will be in Charge

(By United Press.)

Evansville, Feb. 14.—The Rev. W. Stough, evangelist, who is trying to drive the devil out of Atlantic City where the latter is said to be well established, has contracted to do the same in Evansville, and will work here nine weeks. A down-town tabernacle seating 8,000 will be built. Stough is said to have made 12,000 converts in Buffalo. He will come here after going to Tampa, Florida, and Knoxville, Tennessee. His advance men conferred with local ministers today.

They All Demand It.

Rushville, Like Every City And Town in the Union, Receives It

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but do not cure. Doan's Kidney Pills have brought lasting results to thousands. Here is Rushville evidence of their merit.

Mrs. Will Wolf, 1021 N. Oliver St., Rushville says: "I was having quite a bit of trouble with my kidneys. My back was weak and ached all the time. The kidney secretions were too frequent in passage and I had backaches and dizzy spells. As others of my family had used Doan's Kidney Pills with good success, I got some at Lytle's Drug Store. After finishing a few boxes, I was cured and I haven't had any trouble since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mrs. Wolf. Foster-Milburn Co., Props., Buffalo, N. Y. (Advertisement.)

DRESS WARM AND KEEP FEET DRY

Tells Rheumatism Sufferers to
Take Salts and Get Rid
of Uric Acid.

Rheumatism is no respecter of age, sex, color or rank. If not the most dangerous of human afflictions it is one of the most painful. Those subject to rheumatism should eat less meat, dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

- Auction Bridge Club, with Mrs. Walter Hubbard at 219 West Second, in the afternoon, assisted by Mrs. Will Norri.
- Social, given by Men's Bible Class of Baptist church for church members and friends, at the church in the evening.

The Catholic Ladies Aid Society will meet with Mrs. Kate Jones at her home at 625 West First street Thursday afternoon.

The Auction Bridge club will be entertained by Mrs. Walter Hubbard and Mrs. Will Norris at the home of Mrs. Hubbard on Tuesday afternoon instead of Thursday, the regular date.

A delightful evening and supper were enjoyed last night at the home of Mr. and Mrs. Harry Allen when they entertained Mr. and Mrs. Ernest Carpenter and Mr. and Mrs. Frank McIlwain and family.

CARD CLUB

One of the small but joyous affairs of the day, was the meeting of the Monday Card Club with Mrs. Charles A. Frazee at her home in North Main street. A congenial group of players surrounded the card tables as they enjoyed a pleasant social afternoon during the card games.

SOCIAL CLUB DANCE.

The members of the Social Club are preparing to don their best bib and tucker and attend the formal dance given on Wednesday evening. The affair, which is an annual one, promises to equal and exceed the brilliancy of the former balls. Five pieces of Mitchell's orchestra will play for the delightful occasion.

ALL DAY AFFAIR.

An affair of singular delight was the series of parties given this week-end by a merry crowd of six young couples. Second, in the order of episodes was the dinner party yesterday at the home of Miss Gertrude Wilkinson. The flower bedecked table resembled a huge Valentine, with the gay group of young faces gathered around. Red and white carnations predominated in the decorations and cupid place cards marked the places. One of the daintiest of the courses was the one where tiny cupids, by means of a toothpick, were perched in the salad.

After a pleasant afternoon, the same amiable group enjoyed a buffet supper at the home of Miss Helen Hale. With tasteful decorations, the home had been made radiant for the delightful occasion. A delicious supper was served.

HOUSE PARTY.

Misses Grace and Lois Bussel entertained at a week-end house party Miss Velma and Lucile Huls, Carl Rush and Arthur Overby of Indianapolis. The guests departed Sunday evening after a very delightful visit.

BIRTHDAY SURPRISE.

Several friends completely surprised Jacob Webber, 523 West Fifth street Saturday night on the occasion of his birthday anniversary. They brought in baskets of food that made a supper that will long be remembered. The dining table was made more attractive with a beautiful bouquet of red and white carnations. Following the meal, the evening was spent playing Rook, Euchre and other games, and with music. Those who enjoyed the delightful evening were Mr. and Mrs. Andrew Moore, Mr. and Mrs. Louis Saddler and son, Mr. and Mrs. Percy Wright and daughter and son, Mr. and Mrs. Will Gregory and daughter, Mr. and Mrs. Roscoe Brooks, Glen Edwards, Mr. and Mrs. Arnold Ormes and family and Miss Nora Cochran.

INFORMAL PARTY

A very enjoyable time was had, when a number of the neighbors and friends of Mr. and Mrs. Claude Hunt gathered at their home near Gings on Friday evening. Rook and several other fun-making games made the evening one of rare delight. A dainty repast was served near the close of the pleasant affair to the guests, who were Mr. and Mrs. E. A. Billings, Mr. and Mrs. G. I. Austen, Mr. and Mrs. Clarence Daubenspeck and daughters, Verrill and Mary Ella, Mr. and Mrs. Gilbert Austin, Miss Beatrice Austin, and Chase and Charles Jarrett.

MUSICALE ENTERTAINMENT

One of the most interesting of today's incidents, was the delightful party given this afternoon for the members of the Musicale who have been enjoying such excellent programs this year. This meeting, for the members and their guests, however was purely social, the associate members entertaining at the home of Mrs. Willard Amos. By the pleasant afternoon furnished, the associate members, who take no part in the programs, have more than repayed the active members.

Beautiful red carnations were the happy selection, to carry out the Valentine color scheme, and they gracefully adorned all corners of the room. A number of red hearts were also in evidence and helped furnish the festive background for the affair.

A "Musical Hunt" which was as mysterious as the name suggests, was a clever contest in which musical terms and composers were to be guessed from certain articles in evidence that suggested their names. An iron handle represented "Handel," three tiny dolls, were "triplets," and a pair of spectacles were the substitute for "reed instruments."

Equally amusing was the "Musical Romance" in which the courtship and marriage of a young couple was told in song titles, "Robin Adair," and his bride had "Whistling Rufus" for the music at their wedding which took place in "My Old Kentucky Home." Their home was "On the Banks of the Wabash," and they always lived in "America."

The dainty refreshments served carried out, too, the idea of the day. Red hearts, were in evidence in the ice cream, cake, and mints. About seventy-five members of the musicale and their guests were entertained by this genial group of hostesses who were: Mrs. J. D. Case, Mrs. Roscoe Ward, Mrs. Will Abercrombie, Mrs. James Dill, Mrs. Minnie Bell, Mrs. John Stiers, Mrs. Edwin Payne, Mrs. E. A. Lee, Mrs. A. C. Brown, Mrs. Lieu Oneal, Mrs. F. H. Green, Mrs. William Gartin, Mrs. Willard Amos, Mrs. Flora Gray, Mrs. A. T. Mahin, Mrs. William Bainbridge, Mrs. A. B. Finn, Mrs. George Wingerter, Mrs. Mary Brown, Mrs. H. G. Francis, and Mrs. Howard Ewhank.

FAMILY DINNER.

A pleasant family reunion was enjoyed yesterday when Mrs. Anna Marlatt entertained at her home, Mr. and Mrs. Ivan Brenner, of Winchester, Mr. and Mrs. Frederick Miller and children, Virgil and Elizabeth Ann of Connersville. J. H. Scholl and daughter, Josephine, Miss Mary Marlatt, Ernest Marlatt, of Manila, and Earl Marlatt of this city. Mrs. Brenner, who was formerly Miss Anna Marlatt, taught in the high school here several years ago and though her visit is a short one, she is universally welcomed by her many friends.

MODERN POETS

Whether Miss Donnan had intentionally saved the best for the last or not, she did not say; nevertheless it seemed that way when Saturday afternoon her personality seemed especially radiant and her clear train of thoughts on several of the best-known modern writers was interesting, more than ever. The class had it's last meeting of the year at the home of Mrs. F. G. Hackleman, who aside from the regular meeting, had planned a delightful social afternoon for the members.

W. L. George, was the first of the English writers, Miss Donnan spoke of and, because of the number of his writings about women, said he had been called "the leading spokesman for the English feminist," and had given her credit for not lacking the ability to do things that men do, but merely the bringing up to do them. In reviewing his book "The Making of an Englishman," Miss Donnan spoke of the author's especial success in character analysis and through the Frenchman who tries to become very English, he presents the temperamental differences between the English and French. "The Second Blooming," the next book she mentioned, follows the married life of three sisters, none of whom are happily married, not because of their husbands, but because they merely married as a thing of fashion and their romantic sense was never satisfied. The predominating restlessness of today, too was given as a reason for their dissatisfaction.

In "The Stranger's Wedding," Roger Humbolt, an Oxford graduate, takes up settlement work and in the slums, meets Susan Grobey, with whom he falls in love and marries. He did so, thinking her faults, caused by her environment, can be easily remedied, but as Miss Donnan said, "He missed his calculation," she recited a number of amusing incidents in their married life, illustrating Susan, who has no desire to learn other than to please Roger, making countless blunders and Roger impatiently correcting her. In their ten months of married life,

they utterly fail to adjust their differences, for two reasons, Miss Donnan said, "One that Susan was content to be as she was; another that Roger imagined he could wipe out the traditions of years in her life in a few months."

Rupert Brooks, one of the most talked of, of modern poets, was next mentioned. Miss Donnan told of how at the very height of his career being only twenty-eight, he was killed at the Dardanelles. In the two volumes of his poetry published since his death, the romantic side of his work, that appeals to the imagination is apparent, also the impressions of his spiritual quali-

ties and enthusiasm are shown. Having learned all the technique of poetry, it has been said of him, that he reached the high water mark of the English sonnets. "He is a poet's poet," commented Miss Donnan, as she read several of her favorites among his selections, with her charming expression and low musical voice. "These show that he has a keen enjoyment for many, many things of life."

And speaking of the poems of Sara Teasdale, she said "It is a relief after the deep poems of today, to read these simple spontaneous love lyrics, some with a classical

Health for Sick Women

For Forty Years Lydia E. Pinkham's
Vegetable Compound Has Been
Woman's Most Reliable Medicine
—Here is More Proof.

To women who are suffering from some form of
woman's special ills, and have a constant fear of breaking
down, the three following letters ought to bring hope:—

North Crandon, Wis.—"When I was 18 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep about and do my work. I went to a doctor and he told me I had a displacement and ulcers, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound I thought I would give it a trial and it made me as well as ever. I cannot say enough in favor of the Pinkham remedies."—Mrs. MAYME ASBACH, North Crandon, Wis.

Testimony from Oklahoma.

Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tired easily and had headaches much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good at that time. I never fail to recommend Lydia E. Pinkham's Vegetable Compound to ailing women because it has done so much for me."—Mrs. A. L. McCASLAND, 509 Have St., Lawton, Okla.

From a Grateful Massachusetts Woman.

Roxbury, Mass.—"I was suffering from inflammation and was examined by a physician who found that my trouble was caused by a displacement. My symptoms were bearing down pains, backache, and sluggish liver. I tried several kinds of medicine; then I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am pleased to be in my usual good health by using it and highly recommend it."—Mrs. B. M. Osgood, 1 Haynes Park, Roxbury, Mass.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

PAROLE LAW IS BROKEN BY MANY

Declared a Success, But Charity Board's Figures Show 26 Per Cent Are Sent Back.

CAREFUL RECORD IS KEPT

Economical Value is Shown by Figures Dealing With Their Earnings and Expenses.

(By United Press.)
Indianapolis, Feb. 14.—The indeterminate sentence and parole law, after having been in operation 19 years, was pronounced a success today by the Board of State Charities in an extra made public from its forthcoming annual report.
However, the board's figures showed that of the 9,338 prisoners paroled, 2,508, or 26.86 per cent, had proved unsatisfactory.
"A careful record of the earnings and expenses of these paroled prisoners is kept," says the record. "The report shows an aggregate of \$2,620,628.77 earned in addition to which many received board, lodging and laundry. Expenses amounting to \$2,143,423.41 were reported, leaving a balance on hand of \$447,205.36 which is an average saving of \$51.10 each.
"It speaks well for the economical value of the law that these men and women, instead of being maintained in prison at public expense, proved themselves capable of obeying the law and earning their own living."
The law applies to men over sixteen years of age and women over eighteen years, convicted of a felony other than treason, murder, or rape.

VALENTINE PARTY AT WHITE HOUSE

(By United Press.)
Washington, Feb. 14.—President and Mrs. Wilson will make merry at a real, old fashioned St. Valentine's party given by the Congressional club tonight. The President for the evening will put aside international crises and the other grave concerns that have engaged him almost ever since the war began. The spirit of the evening may be imagined from the nature of the valentine that will be presented Mrs. Wilson upon her arrival; an old fashioned nosegay in a lace paper holder. The only reminder of present day affairs will be the secret service men who will search the clubhouse this afternoon and attend the party tonight. Only members of the Congressional club have been invited and the list of guests has been submitted for President Wilson's approval.

HOPES TO LAND NEW MEMBERS

National Charities and Correction Convention Will First Start a Campaign.

WILL MEET IN INDIANAPOLIS

Indianapolis, Feb. 14.—The coming of the National Association of Charities and Correction convention is to be signatized by a statewide membership campaign that is now under way. The convention is May 10 to 17 and will bring between three and five thousand delegates to Indianapolis.
Last year the meeting was held in Baltimore where a membership campaign added more than 600 names to the roster. The Indiana workers, headed by Miss Edna Henry of this city have set their mark at 1,000. Every social worker, paid or voluntary, is eligible. At present Miss Henry is choosing county aides, all of whom will be women. She expects in the next few weeks to have obtained a helper in each of the ninety-two counties.

Oscar J. Comery Slated to Swing Next Friday Morning—Rare Thing For State.

(By United Press.)
Concord, N. H., Feb. 14.—The same old gallows used at the last execution in this state, 23 years ago, when Frank C. Almy dangled and strangled for sixteen minutes, will be mounted by Oscar J. Comery, confessed wife murderer, here next Friday morning.

Concordians who as children stood in the sinister shadows of its weatherbeaten old timbers have grown to be young men and women, looking upon the gallows as more of a relic than anything else; and the story of Almy's hanging to them is almost a legend.

But those who chanced to go that way today paused at the sound of hammers whacking upon seasoned wood. It was Sheriff George L. Stearns' men putting the gallows in shape for its first work in nearly a quarter of a century. Stearns does not like his job. He will have to tie and blindfold Comery, put the noose about his neck and spring the trap. Stearns is a staunch churchman and opposed to capital punishment, but he says that he has accepted the office he holds and there is nothing for him to do but do his duty and take the responsibility. Comery, the man to be hanged, received \$500 insurance after his wife died.

After some time it was learned that Comery bought two grains of strychnine just before his wife's death, "to kill a dog." Mrs. Comery's body was exhumed, the poison found in her stomach and Comery was arrested. Comery admitted his guilt, it is said, declaring he wanted to marry another woman. The jury found him guilty and recommended capital punishment, a mighty rare thing for a New Hampshire jury to do.

Vinol Restored Mr. Martin's Strength

Wapakoneta, Ohio.—"I am a farmer by occupation, and the gripe left me with a bad cough and a nervous, weak, run-down condition, and I could not seem to get anything to do me any good until I took Vinol which built me up, and my cough and nervousness are all gone, and I can truly say Vinol is all that is claimed for it."—James Martin.

Tender Teeth—the first sign of Pyorrhea

When you brush your teeth, does it feel as though you were brushing against the quick? Do the gums sometimes bleed? This is because pyorrhea has caused the gums to pull away from your teeth, leaving the unenamelled surfaces unprotected.

Your dentist will tell you, if you ask him, that you have *gum recession*; and that gum recession is caused by pyorrhea.

Unchecked, pyorrhea will warp and shrink and deform the gums. It will break down the bony structure into which the teeth are set—and you will eventually lose them. To save your teeth you will have to begin to fight this dread disease at once.

A specific for pyorrhea has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of pyorrhea.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before pyorrhea grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today, or send 4c in stamps or coin for sample tube and folder. Address The Sentinel Remedies Company, 503 Union Central Building, Cincinnati, Ohio.

UP-TO-NOW IN DESIGN

Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take.

We have faith in our ability as rational designers and as proof we show at our works a most complete selection of ready to erect monuments designed by our nationally recognized designer, Mr. A. H. Schrichte. **J. B. SCHRICHTE SONS** MONUMENTS 117-121 S. MAIN ST.

PRISONER GETS NEW TRIAL

Taken From Michigan City Prison To Face Jury

(By United Press.)
Bloomington, Feb. 14.—Some of John Stewart's good spirits had fled today. He is in jail awaiting a new trial on the charge of killing John Ridley. When Stewart arrived here from Michigan City after the supreme court allowed him a new trial he was as happy as a boy, but life in a jail is almost as monotonous as life in the prison where a life sentence faced him.

NEW YORK IS IN GRIP OF BAD STORM

Worst is Yet to Come as Weather Bureau Orders Storm Signals Be Hoisted.

CITY IS COVERED WITH ICE

(By United Press.)
New York, February 14.—Following 24 hours of wind, snow and sleet, with the lowest temperature of the year, two above zero, a storm warning from the New York weather bureau today gave promise that the worst is yet to come.

"Hoist storm warning from Cape Hatteras to Boston," said the weather bureau's bulletin.

New York was covered with a coating of ice and snow but early today no fatalities had been reported. Railroad traffic was delayed. Wire communications suffered.

TRAIL LEADS TO ANARCHIST'S LAIR

Police Seek Jean Crones, Who Was Companion of Widow of Bressei, King Humbert's Assassin.

GUESTS BARELY MISS DEATH

(By United Press.)
Chicago, Feb. 14.—The trail of Jean Crones, alleged anarchist wanted in connection with an attempt to poison 300 persons at the University club banquet for Archbishop Mundelein last Thursday night led to the deepest of anarchistic channels today.

Police Chief Healey admitted he had wired St. Paul police to look for Mrs. Gaetano Bressei, widow of the assassin of King Humbert. Crones, police said, was an intimate friend of the regicide's widow and once roomed with her in Chicago.

An analysis of the poisoned soup which made the guests sick has just been completed by Dr. Frederick O. Tonnay and showed that those who partook of it barely missed death. The portion for each guest was one and one-half grains of oxide of arsenic. Two grains are said to be fatal.

flavor, some of description, but all very refreshing. "April," "Come," "Moods," and "Enough," were some of those that Miss Donnan read with enthusiasm that was contagious.

"And the poems of Edith Thomas, though her technique has long been perfected, grow persistently better, and more and more show intensity and passion. As a fire flames up before it goes out, her poems have arisen," Reading, "The Lilac Rain," Miss Donnan said, "And this is the loveliest one, don't you think?"

During an informal social hour, when Mrs. Hackleman suggested the guests imagine they were in "Friendship Village," they were invited into the dining room where Mrs. B. F. Miller presided over the coffee urn and Miss Henrietta Coleman and Mrs. Jane Kincaid assisted in serving the tasteful refreshments.

The series of talks by Miss Donnan has not only been an intellectual uplift and inspiration, but too has brought together at these delightful meetings a congenial and amiable group of Rushville ladies who are interested in literary subjects, and from now on will no doubt be more so.

Miss Mariam Fry of Falmouth entertained a number of friends at cards Saturday night. Dainty refreshments were served.

Mrs. John P. D. John, of Greencastle, wife of the former president of DePauw university and sister of E. D. Poundstone of this city, was the speaker for the Magazine club of Indianapolis, which celebrated Reciprocity day at the Women's Press club in Indianapolis Saturday. Mrs. John formerly was a member of the faculty of the college of music at DePauw and was once the president of the Greencastle Women's club, said to be the second oldest women's club in the state.
